2022 Saratoga Whiskey Club

General Liability Waiver & Release Form

The Saratoga Whiskey Club ("**SWC**") is a social club offering its members a forum for experiencing and learning about whiskey, with activities that may include, among other things, group food and spirit tastings, educational programs, organized visits to distilleries and other areas of interest, foreign and domestic travel and opportunities to socialize with other members at various whiskey-based functions (collectively, these and other SWC activities, "**SWC Activities**"). As many of the SWC Activities involve access to alcohol and exposure to associated risks, you must complete this waiver before you will be able to participate in SWC Activities.

I understand that this waiver and release is a legal document that binds me, as well as my heirs, beneficiaries and assigns. I am providing it for the benefit of the SWC and its founder, Charles Grabitzky, and organizations hosting SWC Activities on their premises, and each of the other SWC members (collectively, SWC and each such released party, together with their respective officers, directors, employees and/or other agents, "**Released Parties**"). As a condition to participating in any of the SWC Activities being offered by SWC and in consideration of such opportunity to participate, I agree to the following:

I understand that my participation in any SWC Activity is entirely voluntary and I am solely responsible for determining whether I am physically and medically able to participate in each such SWC Activity. I attest and verify that I am in good health and sufficient physical condition to participate in any SWC Activities in which I have chosen to participate.

I understand that driving while intoxicated is illegal and dangerous, that neither the SWC, nor any of the Released Parties condones or encourages such behavior and that it is my responsibility alone to arrange and ensure my safe transportation to and from each of the SWC Activities. I agree to obey safety precautions and the law.

I understand that consumption of alcohol has risks, some of which are described below, and that there are other dangers and risks inherent in participation in the SWC Activities, such as the risk of accidental personal injury, damage to mental health and/or death, including as a result of the negligence of Released Parties. I am assuming the risk of any illness or injury incurred in connection with my participation.

I understand and agree that none of the Released Parties has assumed any duty to me, nor has any Released Person made any representation or warranty to me or others, express or implied, as to the SWC Activities, the property on which the SWC Activities will take place, any persons in attendance at, or instructing the SWC Activities, relating to the SWC Activities.

I release each of the Released Parties from all liabilities for all damages, expenses (including attorney fees and costs), claims, judgments, actions or causes of action as a result of any loss or injury to person or property that I may sustain or suffer during or arising out of participation in any SWC Activities, whether or not caused by the acts or omissions of any Released Party. By signing below I covenant not to sue any of the Released Parties for any matter arising out of or relating in any way to any SWC Activities and I wave any right to a jury trial in connection with any dispute that may arise with regard to this Waiver and Release or any SWC Activities.

I agree to indemnify, defend the Released Parties and hold each of them harmless from and against any liability, loss, damages, expenses (including attorney fees), claims, judgments, actions or causes of action arising out of my participation in the SWC Activities.

THIS WAIVER AND RELEASE IS APPLICABLE TO ANY AND ALL ACTIVITIES THAT ARE PART OF THE SWC ACTIVITIES IN WHICH I MAY PARTICIPATE, REGARDLESS OF DATE OR CONTENT, UNTIL I HAVE EXPRESSLY REVOKED IT IN WRITING.

By signing this Waiver and Release (or by accepting it electronically if accessing this Waiver and Release online), I acknowledge that I have read and fully understand the terms and conditions contained herein.

The following is a non-exhaustive list of risks associated with alcohol consumption as published by the U.S. Department of Health & Human Services, Center for Disease Control (<https://www.cdc.gov/alcohol/fact-sheets/alcohol-use.htm>)

People who should **not** drink any alcohol, include those who are:

- Younger than age 21.
- Pregnant or may be pregnant.
- Driving, planning to drive, or participating in other activities requiring skill, coordination, and alertness.
- Taking certain prescription or over-the-counter medications that can interact with alcohol.
- Suffering from certain medical conditions.

Recovering from alcoholism or are unable to control the amount they drink.

Short-Term Health Risks

Excessive alcohol use has immediate effects that increase the risk of many harmful health conditions. These are most often the result of binge drinking and include the following:

- Injuries, such as motor vehicle crashes, falls, drownings, and burns.
- Violence, including homicide, suicide, sexual assault, and intimate partner violence.
- Alcohol poisoning, a medical emergency that results from high blood alcohol levels.
- Risky sexual behaviors, including unprotected sex or sex with multiple partners. These behaviors can result in unintended pregnancy or sexually transmitted diseases, including HIV.

Miscarriage and stillbirth or fetal alcohol spectrum disorders among pregnant women.

Long-Term Health Risks

Over time, excessive alcohol use can lead to the development of chronic diseases and other serious problems including:

- High blood pressure, heart disease, stroke, liver disease, and digestive problems.
- Cancer of the breast, mouth, throat, esophagus, liver, and colon.
- Learning and memory problems, including dementia and poor school performance.
- Mental health problems, including depression and anxiety.
- Social problems, including lost productivity, family problems, and unemployment.
- Alcohol dependence, or alcoholism
